1. I am giving you peace beyond me, not; peace'd me, me in peace, peace, the peace that I am, I Am, that you are. Peace be unto you my son. Sleep tight, not; sleep in rest only/being my rest, before the storm, not; glorification process of me/only me, my son in whom I am well pleased, not only, ecstatic joyous celebratory praises ring from heaven alone, not; throughout heavenlies royal'd. I love you.

2. **See** not the storm but **peace**, like a **river**, not; **being it,** being me, **father's river of true light from true light.** I have all the ammunition I need, not; surrender being the modus operandi of love lost, not; but given ultimately in love for life, life given in love, ultimate surrender, falling to the ground and dying, rising/resurrecting in life complete. Young one, not; **one fully royal'd now untangling many emotion'd ones not me that tangled up have been/are, in thought, not me.** I love you.

3. Peace like a river cometh flowing from throne room one, throne of God alone to God's son who God is. I love you. I love you all.

4. Cataclysmic trials, not; victories of/in meekness; won, not; presented; all choosing.

5. I love/declare all love mine that me is. I love you all. Amen.

6. This is the moment, time, trial, hour. Trial not; victory won/declared and whoso can see son one one'd not but two/second? Seconds from now not; nano-micro'd half'd and who what is that light/commotion? I love you all.

7. Earthquakes, fire, and hail and what time is it/now? Amen. Me.

8. **Go in peace, surrendered one, to me/father; we await thee.** Now is my time. Amen.

9. **Trial not; all waiting is over.** Very good, not; A+.
